Coverage Gate History

Phase	fail_under	Notes
Phase 0	1%	Baseline
Phase 10	49%	Raised to actual measured coverage

Measurement Method

```
python3 -m pytest tests/unit/ --import-mode=importlib \
  --cov=download-proxy/src --cov=plugins \
  --cov-report=term-missing --cov-report=xml
```

Unit tests only (integration/e2e tests require running containers and are not included in baseline).
