

Coverage Baseline

Revision: 2 Last modified: 2026-06-09T00:00:00Z

Last updated at commit 6953662 on 2026-06-09 (routes.py/search.py coverage push).

Summary

Metric	Value
Total coverage	60%
Total statements	6,810
Missing lines	2,558
Branches (partial)	117
Unit tests passing	1,802
Coverage gate (fail_under)	49

By Module – Core (download-proxy/src)

Module	Stmts	Miss	Branch	BrPart	Cover
api/__init__.py	135	1	26	3	98%
api/auth.py	242	19	60	6	91%
api/hooks.py	112	0	16	0	100%
api/routes.py	472	18	134	8	95%
api/scheduler.py	59	0	14	0	100%
api/streaming.py	115	0	40	1	99%
api/theme_state.py	100	0	12	0	100%
config/__init__.py	49	0	2	0	100%
config/log_filter.py	7	0	0	0	100%
main.py	56	2	6	2	94%
merge_service/deduplicator.py	242	14	120	7	94%
merge_service/enricher.py	166	0	62	0	100%
merge_service/hooks.py	106	6	26	0	95%
merge_service/jackett_autoconfig.py	205	1	76	2	99%
merge_service/retry.py	3	0	0	0	100%
merge_service/scheduler.py	126	6	20	2	93%
merge_service/search.py	965	174	294	29	80%
merge_service/validator.py	205	13	60	1	92%

Coverage Gate History

Phase	fail_under	Notes
Phase 0	1%	Baseline
Phase 10	49%	

Phase	fail_under	Notes
Phase 11	49%	Raised to actual measured coverage routes.py 95%, search.py 80%, validator 92%, jackett_autoconfig 99%

Measurement Method

```
python3 -m pytest tests/unit/ --import-mode=importlib \
  --cov=download-proxy/src --cov=plugins \
  --cov-report=term-missing --cov-report=xml
```

Unit tests only (integration/e2e tests require running containers and are not included in baseline).
